NO-CONTACT INFRARED DIGITAL THERMOMETER

Model: YK001

Qualified Certificate x 1

*** AAA batteries NOT included ***

Specification:

Power Supply: DC3V (2 x "AAA" batteries)

Body Temperature Range: 34°C~42°C

Measurement Accuracy:

34°C ~ 34.9°C : $\pm 0.3^{\circ}\text{C}$

35°C ~ 42°C : $\pm 0.2^{\circ}\text{C}$

1°C ~ 42.9°C : $\pm 0.3^{\circ}\text{C}$

LCD Display with 3 colors Backlight:

Green : 34°C ~ 37.3°C

Amber : 37.4°C ~ 38°C

Red : 38.1°C (default) ~ 42.9°C

Measuring Distance: 1cm ~ 3cm

Fast Measuring Reaction: ≤ 2 sec

Auto Power-off: ≤ 15 sec

Memory Data: 100 sets

Transport Storage Temperature: -20°C ~ 55°C

Relative Humidity: $\leq 95\%$

EAR FOREHEAD INFRARED THERMOMETER

Product specifications

Working environment:

Ambient temperature: 10-40 °C **Relative humidity:** <85%

Measurement time: ≤5S (ear temperature mode) ≤2S (forehead mode)
3 ~ 5s (in forehead scanning mode)

Measurement accuracy: ±0.2 °C

Thermal equilibrium time: 30 minutes

Wide temperature range: 1-100°C

Automatic poweroff: <35 seconds

Product weight: 66 grams (excluding battery)

Product size: length 154mm x width 34mm x height 52mm

EAR FOREHEAD INFRARED THERMOMETER

Model: IFR600

Battery: DC 3V (DC 1.5V AAA 2PCS)

Size: 150mm(L) x37mm(W) x30mm(H)

Weight: About 82g (with the battery)

Measurement: Ear touch/Forehead with 3-5cm distant

Accuracy: Body mode: $\pm 0.2^{\circ}$ (35.0~42.0 $^{\circ}$)

Object mode: $\pm 0.5^{\circ}$ (0~100 $^{\circ}$)

Measuring range: Body mode: 32.0~ 42.9 $^{\circ}$

Object mode: 0~100 $^{\circ}$

Storage/transportation temperature: -20 $^{\circ}$ to 55 $^{\circ}$

Relative humidity < 85%RH

CUSTOM MADE REUSABLE MASK

This is the Face Mask Multi-ply. Made of Natural Canvas this mask can be used for protection from large particles of hazardous fluids while protecting the patient from the wearer's respiratory emissions. Multiple layers of material provide a pocket that can be used to hold respiratory aids/filters. Elastic loops secured around the ears will hold the mask in place.

This mask is not a respirator and should not be used to filter small particles in the air by itself. Masks are individually poly bagged.

BRANDED WITH 1 COLOR IMPRINT QTY: 5,000 \$3.00 USD // QTY: 7,500 \$2.75 USD // QTY: 15,000 \$2.50 USD
